Brilliance in Action

The Berkeley International Study Program (BISP) provides the opportunity for short-term study abroad at the world-class and culturally-rich University of California, Berkeley. Affectionately called “Berkeley” or “Cal,” it is famous for its top scholars, social activism, innovation, and diverse student body. In other words, “Brilliance in Action.”

BISP Makes it Possible

BISP provides a unique study abroad opportunity for visiting international students to take high-quality courses alongside UC Berkeley degree students for one or two semesters. BISP provides sponsorship and the necessary letter of invitation to obtain a student visa for qualified students, who enroll in courses on a fee-paying basis. We also offer a robust program of activities and support to students who get the much sought-after “Berkeley Experience.”

Each semester, BISP sponsors between 350–450 visiting international students from all over the world, who enjoy the experience of taking classes at the world-famous UC Berkeley. The students do quite well here and have a fantastic experience both in and outside the classroom. BISP students often transfer these courses back to their home universities for their degree requirements.

BISP students come from a wide variety of academic backgrounds. BISP has its roots in an academic department and continues to maintain a very close relationship with departments across

campus that provide a rich schedule of courses for all students, particularly those in the social sciences, arts, humanities, biological and physical sciences. We have many students from other fields such as business, media, health, education, and politics who find relevant courses in these study areas. It is common in the U.S. for students to take courses in subjects outside of their major. UC Berkeley faculty and students greatly appreciate the participation of students from many cultures in the classrooms, making it an exciting and vibrant multicultural learning environment.

BISP provides a well-rounded, enriching experience with dedicated staff to support them. Students also participate in activities planned by our Cultural Peer Mentors, UC Berkeley students who assist with adjustment to the Berkeley campus and surrounding area, and provide opportunities to get to know other students and the culture of Berkeley and the U.S.

The BISP Advantage

- Gain a new perspective pursuing your interests in the U.S.
- Prepare for your future in an ever-increasingly global world
- Engage in a vibrant and multicultural study abroad experience
- Benefit from comprehensive academic and social support from start to finish

“My advice is this: come here, study carefully, seriously and hard. Experience many new things and have more fun than you will ever have experienced.”

Professor Trond Petersen, BISP Faculty Director & Executive Associate Dean of the College of Letters and Science

How to Apply

BISP has agreements with over 80 universities in 25 countries. Most students who participate in BISP are nominated by partner institutions and screened for qualifications which may include academic achievement, proficiency in English, and appropriate study fit. Those from a non-English speaking university must have a TOEFL (90 or higher), IELTS (7.0 or higher), or Duolingo (125 or higher) test score.

Students who attend a partner university should inquire at their university's International Office for procedures and deadlines to apply locally for a nomination to attend BISP. We recommend doing this as soon as possible as their deadlines will be earlier than the dates listed below. Please go to <https://bisp.berkeley.edu/about-us/our-partners> to see a complete list of our partners.*

Students who do not attend one of our partner universities may apply directly to BISP as an independent student, also called “freemover.” Information about this process can be found at <https://bisp.berkeley.edu/apply>.

Prospective students will be interviewed to ensure that they are well prepared and a good match for BISP and the course offerings at UC Berkeley.

The general period of time in which BISP accepts independent inquiries for each semester is listed below. Partner universities may have earlier deadlines.

	Semester Dates	Application Period
Fall Semester:	Mid-August to Mid-December	February 15–May 15
Spring Semester:	Mid-January to Mid-May	September 1–October 15

*Universities and scholarship organizations who are interested in a BISP partnership may inquire about this possibility by sending an email to bisp@berkeley.edu
