Dear Partners,

We are delighted to inform you that we will be offering two summer programs next year. Taking this opportunity, we look forward to accompanying your excellent student in both programs.

## **1) SWU Summer International Program (SSIP) 2024**

SSIP introduces contemporary and traditional Japan to international students in English and also offers an opportunity to collaborate in group work and presentations with SWU students. In showing our appreciation for your kind friendship with us, we would like to invite one female student from your institution to SSIP 2024 on a program fee waiver.

Your student will only be charged for the following:

Registration Fee: 20,000 JPY

Accommodation Fee: 70,000 JPY

Program Fee: Waived

**Total: 90,000 JPY per student**

We would appreciate you select a student who would take the most advantage of the experience in Japan with our program and nominate her from the [Nomination Form](#) by **February 20th, 2024.**

## **2) Online Japanese Language Program 2024**

Online Japanese Language Program is a fast and cost-friendly program for introductory-level Japanese learners to improve on their Japanese speaking skills.

For our partners with student exchange agreements, this program can be applied toward the student exchange quota, **counting 1 online program student as 1/4 an academic year student.** Also, partners with MOU without student exchange agreements are eligible for a 50% discount on the program fee.

Exchange Student: Free

Non-Exchange Student: **20,000JPY after 50% discount**

We would appreciate if you could share the information about this program among your faculty and students for promotion and encourage students to apply by **March 25<sup>th</sup>, 2024.**
