Application Requirements

- Be a student from an institution in agreement with Santo Tomás ([check the list here](#)).
- Have the support of the international office of the home institution, which must make the official nomination.
- Have completed at least one academic year at the home university.
- Proficiency in Spanish at level B1 according to the Common European Framework of Reference for Languages (for students from non-Spanish-speaking countries. Classes are conducted in Spanish.

Application Procedure

1. Contact the international office of the home institution to know about their internal requirements and procedures.
2. Be nominated with personal and contact information by the international office to the email intercambio@santotomas.cl (before the nomination deadline).
3. Complete the online registration ([click here](#)).
4. Send the following documents to the email intercambio@santotomas.cl (before the application deadline):
 - Letter of application/recommendation from your international office.
 - Academic transcript (cumulative grades).
 - Copy of Passport.
 - Passport-sized photograph (solid background).
 - Santo Tomás Application Form (Download and complete by [clicking here](#))*

*To complete the form, please consider that Chile has 2 academic periods per year: First Semester, which begins in March and ends in July; and Second Semester, which starts in August and ends in December. Once you have defined the period in which you will come, you must select the courses as detailed below:

- Go to our website ([UST](#), [IP](#) o [CFT](#)) and search for your area of interest, program, and campus at Santo Tomás.
- Access your program of interest and download the curriculum. You will find the necessary information to select the courses you wish to take, and detail them in the Application Form. For the first semester, select courses from odd-numbered semesters (1, 3, 5, 7, 9), and for the second semester, choose courses from even-numbered semesters (2, 4, 6, 8, 10).

- If the application has been accepted by Santo Tomás, the student must purchase an international health insurance to cover their stay and apply for a study visa, known as Temporary Residence, Studies subcategory, with the [Immigration Department](#) as appropriate.
